NCR's 'greenest' Noida sector projects speed up

✉ 🖨 A- A+

NOIDA: To speed up world class infrastructure in sector 150- which is considered as NCR's greenest sector, the Noida Authority top brass reviewed all projects.

On explaining the details Noida Authority on Sunday said that developed over 600 acre land, sector 150 will be the greenest sector of NCR. 80 percent of the sector will be green while with

42 acre, one of the biggest park in the country is also being developed in the same sector. Apart from that the authority has also planned to develop Sports city.

The Authority has also proposed Sports City project, which is being developed by Lotus Greens Developer. "The low-density Sports City, which is developed on 300 acres at a cost of over Rs 2,300 crore, will offer recreational as well as residential facilities. A separate provision for a permissible ground coverage and FAR (Floor Area Ratio) has been proposed as per the Building Regulations Act of Noida and its Master Plan 2031," a senior official, who attended the meeting said this Sports City will go a long way in establishing sporting infrastructure and become a sports destination. "In today's living standard, people have dropped physical activities. Space crunch is also another reason behind it. Some groups are running Rahgiri. Our idea is to offer sports more accessible to the population and to promote healthy living. The proposed sports city will provide a platform to both professionals as well as aspiring youngsters," said the official.

Noida's Sector 150 to be NCR's first overhead wires free zone

NEW DELHI: Sector 150 to be the first NCR Sector, which will be overhead wiring free, the Noida Authority officials said all kind of electric wires including power, internet, telephone etc. will be underwire thorough RCC ducts in Sector 150, which is also considered as "greenest sector of NCR".

To make the city overhead lines free, the Noida authority has initiated drive. All city lines to be replaced to underline ducts. The Authority officials said that in all new sectors, this technology to be used and from June 2015, work to be started in Sector 150, which is projected as ideal sector of NCR. After Sector 150, this technology will be followed in other new sectors along Noida-Greater Noida Expressway.

Underwiring project is also executed in upscale Sector 18 market.

On explaining the details Vijay Kumar Yadav additional CEO Noida Authority said that the Authority is executing to underline all over headlines in Sector 18 and from June this year work will be started in Sector 150, which is developed by Noida Authority as an ideal sector of NCR.

"The Authority has plan to execute this process in Sector 150, which is developed state of art sector in the state and NCR. By June 2015, creation of cemented ducts to underline of overhead wiring work to be started. We will create RCC (Reinforced Cement Concrete) ducts along the roads so that all kind of wires either electric, telephonic, internet etc lay in the duct," Yadav said.

"In Sector 18, first phase of work has been completed while second phase to be started soon. We are expecting to complete it by the end of this year," the official said.

A senior official said that Sector 150 to first in the state to have established core IT infrastructure to facilitate the e-enablement of life and work. "To encourage the use of latest technology advancements in the power and telecom sector, where physical access to the network is separated from the delivery of services. It provides a futuristic roadmap for creation of an enabling infrastructure through bandwidth in proper ducts as part of the development. It allows multiple service providers to use the space. The clamour for space is
