A FUSION OF VISION AND AESTHETICS.

Thoughtfully chosen amenities. Intelligent use of apartment space. Beautifully carved out landscapes. Acres of open spaces for leisure and relaxation. A place you can truly call home. Sky City is miles ahead in its design and technological innovation. A confluence of urban perspectives and a passion for creating the monumental, makes for a living concept that is entirely unique.

CLOSE TO NATURE AND THE CITY.

Located in the quaint neighbourhood of Borivali in Mumbai and with acres of beautifully landscaped gardens within Sky City, you are closer to nature like never before. What's more, the Western Express Highway and the proposed Mumbai Metro station is in close proximity ensuring that you are well-connected to business districts and leisure options.

A SIGNATURE CALLED DESIGN.

Sky City is a design revelation. Drawing inspiration from the multi-terraced beauty of gardens, Sky City is literally an aesthetic experience on many levels. Grand pathways, sylvan nooks and corners, breath-taking entrances and a rare tranquillity. Everything here has been finely thought through to create a living environment that moves beyond the mundane world and into the realm of dreams. Shaping such an inspiring thought, from concept to reality, is only made possible by Oberoi Realty's collaboration with Larsen & Toubro, one of India's most respected and trusted construction company.
