Unique elegance in Architecture

Eldeco County is designed as a showcase of modern Indian architectural powers. The traditional and time honored red sandstone has been combined with modern architecture to create an unusual appeal. The unique form of rectangles and cubes has been liberally used to create a sense of elegant uniformity. Yet, the structures differ in their essence to break monotony. This is a paradox that has been ingeniously handled to create overall aura of profound beauty and eloquence.

Expandable Private Villas

At Eldeco County, we have taken care not to cramp your wide, Open view with high - rise buildings. Which is why the entire township comprises of only Expandable Private Villas. Choose from 2-bedroom to 6-bedroom villas, being built in area ranging from 200. sq.yd. To 1000 sq. yd. That too, in 5 different frontage designs, each of which is unique yet similar!.

A truly Modular Concept in Living

Each of the Private villas has been designed to be truly expandable. Which means you could opt for a villa based on your family's current needs and budget. For example, you could choose a 200 sq. yd. Villa, with a built-up area of only one-bedroom, drawing/dining, to start with. And add spaces or modules as and when your family's need (and your budget) grow!.
